

Instructions for Hazard Insurance

Property insurance that complies with the policy guidelines linked below is required to close your loan. Please request a policy with the following details and request a **BINDABLE QUOTE/DEC PAGE/BINDER** for hazard. A bindable quote will decrease the chances of last minute changes to the insurance policy prior to closing. Once you've arranged for coverage please upload a copy of your Hazard Insurance policy where the primary insured party is the borrower on the loan. The policy must list the Kiavi Mortgagee clause, the loan number, the premium and deductible amount, and the address of the home.
